

**TECHTEXTIL 2017**

**9 – 12 OF MAY, 2017**

**FRANKFURT AM MAIN, GERMANY**

Techtextil is the leading international trade fair for technical textiles and nonwovens. Experience the dynamics of your industry live on site – at Techtextil, the leading international trade fair for technical textiles and nonwovens. Gain a complete overview of all trendsetting innovations and brand-new technologies. Discover positive ideas and new development opportunities for your business. The complete global market of technical textiles will be showcased at the most important forum for the industry. Techtextil presents the complete spectrum and expertise of the sector, as well as potential areas of application for technical textiles and nonwovens. The exhibition is arranged into twelve different application areas, as follows:

Agrotech

Buildtech

Clothtech

Geotech

Homotech

Indutech

Medtech

Mobiltech

Oekotech

Packtech

Protech

Sporttech
