

# INVITATION

*Leading International Trade Fair for Technical Textiles and Nonwovens*

Experience the dynamics of your industry live on site – at Techtexsil, the leading international trade fair for technical textiles and nonwovens. Gain a complete overview of all trendsetting innovations and brand-new technologies. Discover positive ideas and new development opportunities for your business. The complete global market of technical textiles will be showcased at the most important forum for the industry. Techtexsil presents the complete spectrum and expertise of the sector, as well as potential areas of application for technical textiles and nonwovens.

At the forthcoming Techtexsil 2019 exhibition we have a great pleasure to invite you to visit the stands of our principals, where they will be presenting their products for the technical textile industry.
